Thanks Christine, I will work on some points later this morning as well.

I think it's important that you copy both me and Lynda as we correspond. At this point, I think the three of us and Will and Dennis need to make sure we're on the same page so that we can clearly understand, communicate, and potentially push back as needed.

I would go further to say, it might have even been better to collect our thoughts before responding at all, but know and understand that you want to be responsive.

Can we get on the phone today, say at 12 ET/9 PT to discuss further. Will put something on our calendar just in case.

Thanks, J.

Will and Dennis, I think the sequence of steps makes sense. However, the devil is in the details and I've identified some of the questions that are relevant/important that you should think about:

1) Ex. 5 - Deliberative

Ex. 5 - Deliberative

Ex. 5 - Deliberative

2) Ex. 5 - Deliberative

Ex. 5 - Deliberative

3) Item 3 on your list will need elaboration. Again, it's one of those devil in the details kinds of issues.

Ex. 5 - Deliberative

Otherwise, looks good. Thank you for the preview and thanks for your and Dennis' work on this. I totally get what you guys are trying to do.

Dennis, Christine:

We've got lots of conversations in various cubicles occurring around details on Oregon CZARA disapproval sequence, so I thought we should write down one trajectory that reflects my understanding of what Dennis and I have been discussing. Dennis and Christine, please have a look to verify and then we can send to the larger DC group for purposes of grounding our discussions tomorrow with some specifics. If OK, with or without edits, then we can send to the DC participants and all get squared away efficiently.

Thanks,

WS
